

Them P's

OG Maco

I'm countin' up that cash, I'm neurotic
I just ducked the feds, stashed narcotics
I just hid some P's in the closet
I'm thinkin' bout them P's, that's that profit
I'm countin' up that cash, I'm neurotic
I just ducked the feds, stashed narcotics
I just hid some P's in the closet
I'm thinkin' bout them P's, that's that profit

I'm focused on my P's, that's that profit
I'm focused on my G's, that's that gwala
I always do for me and my patnas
You playin' with our cheese, catch them rockets
44 In my left door in my pocket
Shawty sittin' in my backseat and I cock it
Pussy nigga don't talk fast, don't move slight
Nigga yea I got big moves and it's on sight
Big woop, yea a big Blood, yea a big Blood
Real shooter, yea a big Cuz, yea a real thug
I don't gotta fuck with you, I'm a real plug
And you a real dub

I'm countin' up that cash, I'm neurotic
I just ducked the feds, stashed narcotics
I just hid some P's in the closet
I'm thinkin' bout them P's, that's that profit
I'm countin' up that cash, I'm neurotic
I just ducked the feds, stashed narcotics
I just hid some P's in the closet
I'm thinkin' bout them P's, that's that profit
