

A Better Man

Ogie Alcasid

You make me laugh
You make me cry
When I'm down
You make me fly
You make me hope
You make me dream
You make me want to see the things I haven't seen

You bring much joy
To my heart
It makes me sad
When we're apart
Give so much love
For me to feel
That I know that you're the only one for me

You make me high
You make me low
You make me learn the things I ought to know
You bring out all the best of what I am
You make me want to be
A better man

(You bring much joy)
(Joy to my heart)
(It makes me sad)
(When we're apart)
(You bring out all the best)
(That's why I wanna be a better man)

You make me high
You make me low
You make me learn the things I ought to know
You bring out all the best of what I am
You make me want to be a better man

You make me high
You make me low
You make me learn the things I ought to know
You bring out all the best of what I am
You make me want to be
A better man
A better man
