

Beautiful

Ogie Alcasid

In this world, we do have troubles
And yes, we do encounter fear
But love has all the answers
And we found it in the son

Your victory is ours
You conquered death in the final hour
Oh Jesus, we thank You
For what You have done

Beautiful, beautiful
Everything You've done is simply beautiful
Wonderful, glorious
I just stand amazed to hear Your name

Jesus Jesus, we praise You
Jesus Jesus, we love You

Your kingdom is in heaven
As it is here on earth
You will reign forever
And ever in our hearts

We hold on to the word
As it was from the start
And it was with God always
And the word is God

Beautiful, beautiful
Everything You've done is simply beautiful
Wonderful, glorious
I just stand amazed to hear Your name

Jesus Jesus, we praise You
Jesus Jesus, we love You
And we will follow You
And we will worship You
And we glorify Your name
Forever

And we will follow You
And we will worship You
And we glorify Your name
Forever

Beautiful, beautiful
Everything You've done is simply beautiful
Wonderful, glorious
I just stand amazed to hear Your name (Your name is)
Beautiful, beautiful
Everything You've done is simply beautiful
Wonderful, glorious
I just stand amazed to hear Your name
Jesus Jesus, we praise You
Jesus Jesus, we love You
Jesus Jesus, we love You
Beautiful, beautiful

Beautiful, beautiful
Jesus
