

# Reality

Ogie Alcasid

Met you by surprise, I didn't realize  
That my life would change forever  
Saw you standing there, I didn't know I'd care  
There was something special in the air

Dreams are my reality  
The only kind of real fantasy  
Illusions are a common thing  
I tried to live in dreams  
It seems as if it's meant to be

Dreams are my reality  
A different kind of reality  
I dream of loving in the night  
And loving seems so right  
Although it's only fantasy

If you do exist, honey don't resist  
Show me in your way of loving  
Tell me that it's true, show me what to do  
I feel something special about you

Dreams are my reality  
The only kind of reality  
Maybe my foolishness is past  
And maybe now at last  
I see how a real thing can be

Dreams are my reality  
A wonderful world where I'd like to be  
I dream of holding you all night  
And holding you seems right  
Perhaps that's my reality

Met you by surprise, I didn't realize  
That my life would change forever  
Tell me that it's true  
Feelings that on que I feel something special about you

Dreams are my reality  
A wonderful world where I'd love to be  
Illusions are a common thing  
I tried to live in dreams  
Although it's only fantasy

Dreams are my reality  
I like to dream of you close to me  
I dream of loving you all night-
