

Always Flying

Oh Sees

I've been waiting, hoping for a chance with you
Hoping to shake hands, just like we used to
And it's always running around in the back of my head
La-la-la-la-la-la-la la-la-la-la-la-la-la

How long time has gone

I've been waiting, hoping for a chance or two
Hoping to shake a leg, just like we used to
And it's always flying around without regard
La-la-la-la-la-la-la la-la-la-la-la-la-la

How long time has gone

I've been waiting, hoping for a time or two
Hoping to shake your heads, just like we used to
And it's always humming around just behind my eyes
La-la-la-la-la-la-la la-la-la-la-la-la-la

How long time has gone
