

Comas

Oh Sees

Oh coma
Woah, woah coma
My answer is in the air
My answer is there

Oh trauma
Woah, woah trauma
Not just a little wound

Oh heartache
Woah, woah heartache
Not what I'm looking for
No, not at all

Oh Trina
Woah, woah Trina
Did you not say goodbye

Oh coma
Woah, woah coma
My answer is in the air
My answer is there

Oh trauma
Woah, woah trauma
Not just a little wound
