

## Devil Again

Oh Sees

You pay for things that should be free  
Oh no, heaven's not for me  
Put asleep on dirty side  
You come awake, be open eyed  
But beware, he is in disguise  
The devil, the devil

Ba ba ba ba, ba ba ba ba  
Ba ba ba ba, ba ba ba ba

You pay for things that should be free  
Oh no, heaven's not for me  
Put asleep on dirty side  
You come awake, be open eyed  
Beware, you're all in disguise  
And also the devil

Ba ba ba ba, ba ba ba ba  
Ba ba ba ba, ba ba ba ba

You pay for things that should be free  
Oh no, heaven's not for me  
Put asleep on dirty side  
You come awake, be open eyed  
Beware, you're all in disguise  
And also the devil

Ba ba ba ba, ba ba ba ba  
Ba ba ba ba, ba ba ba ba
