

Drug City

Oh Sees

My position
I can't define
I believe you
This time
Hold on
Lemme out
Come on
Show me how
I get dizzy all the time, yeah

Opposition
I can't deny
I believe her
She's alright
Rolling by
Let it out
Slowly
I'll show you how
I get dizzy all the time, yeah

A psychovision
Terrify
I believe 'em
Sometimes
Sacrifice
So far
Slow death
I'll show you how
I get dizzy all the time, yeah

The main position
To defile
A believer
You force a smile
Hold on
Lemme out
C-c-come on
Show me how
I get dizzy all the time, yeah
