

Funeral Solution

Oh Sees

What the fuck is going on
Human life is not that long
Why die every night?
Right, you fucking animals
Peaceful living is too slow
Fu-neral
So-lution

Uh
Uh
Uh

Bloody splatter on the walls
Screaming violence in the halls
Crack a skull most every night
Be a bit rash all the time
Over indulge in your prime
Vio-lent
Hu-man

Uh
Uh
Uh

Dream the same thing every night
Dream the same thing every night
Dream the same thing every night
Dream the same thing every night
