

Girls Who Smile

Oh Sees

Check, check

Girls like to smile
Half the time
Boys are the trouble
All the time
Sitting in the pockets
Just a dime
Lifting hefty spirits
From the slime
(From the slime, slime, slime, slime...)

Everyone's a problem
All the guys
Everyone's a problem
Sometimes
Flipping open secrets
Day and night
Eating at your insides
What a fight
(What a fight, fight, fight, fight...)

Girls like to smile
Half the time
Boys are the trouble
All the time
Sitting in the pockets
Just a dime
Lifting hefty spirits
From the slime
