

I Can't Pay You To Disappear

Oh Sees

I can't pay you to disappear
So can do you do it for free
I'd be alone but I don't care
I'd be alone and free

I see you've crumbled and blown away
You're a streak in the street

I can't pay you to disappear
So can do you do it for free
I'd be alone but I don't care
I'd be alone and free

I see you've crumbled and blown away
You're a streak in the street
