

Lear's Ears

Oh Sees

Count your lad's ladies
Poison cup of tea
The worst company
You can keep

Stop
Stop

You'll loathe my family
It's not so hard to see
Because of endless greed

Stop
Stop

We're grown on top of rocks
We wheeze, we pull up socks
It's a sight to see
On top of spirits freed?
See
And stop

End up on top, stop
Of spirits freed on top, top
It's not so hard to see
Like bleeding endless greed

Stop
Stop

I count my lad's lady
The poisoned cup of tea
The worst company
Told you you could keep
It's not so hard to see
And stop

Look inside lear's ear's
