

Moon Bog

Oh Sees

Sometime before I
Wake up, wake up
The stranger comes up beside me, yeah
Right on, right on

I lie, moon light
Hoof beat, asleep
Black dream, retreat
Dawn creeps asleep

I lie, moon light
Hoof beat, asleep
Black dream, retreat
Dawn creeps asleep

Oft-times I lie there
In the black swirling sands
The stranger comes up beside me, yeah
Chills my heart in his hands

I lie, moon light
Hoof beat, asleep
Black dream, retreat
Dawn creeps asleep

I lie, moon light
Hoof beat, asleep
Black dream, retreat
Dawn creeps asleep

Other times I wake up
The fever runs over with plan
On how to be a better lover, yeah
Of my better fellow man

I lie, moon light
Hoof beat, asleep
Black dream, retreat
Dawn creeps asleep

I lie, moon light
Hoof beat, asleep
Black dream, retreat
Dawn creeps asleep
