

MT Work

Oh Sees

MT work is calling again
"How do you know?"
MT work is failing my friends
"How does it go?"
It's old and cold and you're sad in the end
"When's the end?"
Frightfully, it's coming round the bend
La la la la la la...

Well the boss, the beast is in the bell
Well the boss, the beast is in the bell
He's old and cold and he pays you in the end
He's old and cold and he definitely ain't your friend
La la la la la la...
