

Persuaders Up!

Oh Sees

We stop to think about it
We think to talk about it
Why would we live without, yeah
Why start to come apart

Yeah!
Yeah!
Yeah!
Yeah!

I think we ought to know more
I feel we ought to think more
I wish we could be better
I think we could be better

Yeah!
Yeah!
Yeah!
Yeah!

I feel the thoughts awaken
I think we were mistaken
How we could pull apart, yeah
When we are all related

Yeah!
Yeah!
Yeah!
Yeah!
