

The Whipping Continues

Oh Sees

Its an earful on every corner
SATS and LSD
Air raids in my eyes, "I can see the light!"

R-A-Z-O-R cleans up the face
MTV and recipes they say
I'm too close and not too far away

We continue on this viciously
W-H-I-P-P-I-N-G
Once so easy and fancy free

I'm on my knees

It's about dusk and I'm bloody
D-R-I-P-P-I-N-G
Ladies in the boots may be royalty but...

I'm on my knees
