

It's August baby
The heat sublime
We linger lazy
Beneath the airplane lines

Forever simple
Forever mine
Oh, look the ether
I hope it stays a while

I swear a million times to hold you just the way you like
I swear a million times to always hold you

Yeah I'll be loving you 365
Floating in between paradise
Nothing ever could change my mind
I'll be loving you
I'll be loving you

Yeah I'll be loving you 365
Floating in between paradise
Nothing ever could change my mind
I'll be loving you
I'll be loving you
365
365

Oh look up at the beautiful
Look up my love
All the stars swinging magical
Protectors above
And I promise you infinite
I promise you light
And when all of the glimmer's up
I'll hold you for life

Yeah I swear a million times to always hold you

And I'll be loving you 365
Floating in between paradise
Nothing ever could change my mind
I'll be loving you
I'll be loving you

Yeah I'll be loving you 365
Floating in between paradise
Nothing ever could change my mind
I'll be loving you
I'll be loving you
365
365

It's amazing that I found you
It's amazing that you care
'Cause I thought this love was only meant for galaxies way up there
And it's crazy that I met you

Oh but it beats so perfectly
And I know this life was only meant for you and me
And I'll be loving you 365
Floating in between paradise
Nothing ever could change my mind
I'll be loving you
I'll be loving you

Yeah I'll be loving you 365
Floating in between paradise
Nothing ever could change my mind
I'll be loving you
I'll be loving you
365

Oh look up at the beautiful
Look up my love
All the stars swinging magical
Protectors above
