

Fuck It I Love You

Oh Wonder

Fuck it, I love you
Oh, I care
Fuck it, I love you
I'd go anywhere
Oh fuck it, I love you
Oh, I care
Fuck it, I love you
I'd go anywhere, ooh

What's with the deal
Where you should never say how you feel?
Waiting for a green to steal
What's up with that?
A war without words
Mean everybody's just gon' get hurt
Waiting for a signal to turn
What's up with that?

Yeah, you know you're my best friend
Pinky swear it till the end
You're my seven, eight, nine, ten
Oh, I gotta say it

Fuck it, I love you
Oh, I care
Fuck it, I love you
I'd go anywhere
Oh fuck it, I love you
Oh, I care
Fuck it, I love you
I'd go anywhere, ooh

Life is okay
Fight like a Los Angeles day
[?] the sky meets the waves
No matter what
The passenger side
We're watching all our history roll by
You know that I'm here for the ride
No matter what

Yeah, you know you're my best friend
Pinky swear it till the end
You're my seven, eight, nine, ten
Oh, I gotta say it

Fuck it, I love you
Oh, I care
Fuck it, I love you
I'd go anywhere
Oh fuck it, I love you
Oh, I care
Fuck it, I love you
I'd go anywhere, ooh

Put your arms around the brave
Say exactly what you're feeling

Don't you look the other way
No looking away, no eyes
What if love could make your day?
Then overflow your being
Put the rainbows in the rain
So when you gonna say?
So when you gonna say?

Fuck it, I love you
Fuck it, I love you
Fuck it, I love you
Oh, fuck it, I love you
Fuck it, I love you
Fuck it, I love you

Fuck it, I love you
Oh, I care
Fuck it, I love you
I'd go anywhere
Oh fuck it, I love you
Oh, I care
Fuck it, I love you
I'd go anywhere
Fuck it, I love you
