Keeper

OhGeesy

Don't wanna leave her, into the bedroom let her know I need her
Yeah
She telling me go go deeper, while the sun rising like a fever
She's a keeper, yeah, don't leave her she's a keeper
Don't leave her, she's a keeper
(Don't leave her she's a keeper)

Whatever you want, I want too (Onto)
Sip a lil' perc, most the strong boo
We been through thick and think, but you thick as shit
You go dumb on the dick like you illiterate
Sippin' 1942 up in the VIP
When I pull it out to buss, she eat the kids
When her legs on my shoulder, I hit her wrist
Bitch watch out cause my diamonds hittin'
I'm addicted to that mouth, ain't know when I'm quittin'
When I'm bussin' on the pills, I be gettin' jiggy
I don't fuck with no hoes, If she actin' mickie
When I'm bussin' on the pills, I be gettin' jiggy, ay, ay

Don't wanna leave her, into the bedroom let her know I need her
Yeah
She telling me go go deeper, while the sun rising like a fever
She's a keeper, yeah, don't leave her she's a keeper
Don't leave her, she's a keeper

She ain't gone (She ain't gone)
I got the demons and angels on my shoulders, heard you needed one to lean on
I'm the same one
Same nigga going back to back on platinum body, everything I sang on
Fuck love, nigga ain't on one on one, this shit one up
Every nigga fell in love with a slut once
She gon' ride like a bikeride, but she like me I know love don't excite her

Don't wanna leave her, into the bedroom let her know I need her
Yeah
She telling me go go deeper, while the sun rising like a fever
She's a keeper, yeah, don't leave her she's a keeper
Don't leave her, she's a keeper

Prada and Chanel yeah you got it all (Got it all)
Your nigga had a budget, I buy it all (Buy it all)
I got a AP, she want and need another more (Another more)
Once she deepthroat the dick, she licked the balls (Yeah)
I be poppin' in my city, bitch I'ma joint (I'ma joint)
Pop hunnid thousand P's, just to prove point (Prove point)
I don't be behind the bush, I get to the point (To the point)
And nigga got a problem, smoke 'em like a joint (Baow)
Baby what it is, you my lil' diva
I don't think, I'ma keep but can still eat her
Take you all around the world, you don't need a visa
Bitch I rock Evisu jeans, when I'm in the Ibiza (Ay)

Don't wanna leave her, into the bedroom let her know I need her
Yeah
She telling me go go deeper, while the sun rising like a fever
She's a keeper, yeah, don't leave her she's a keeper

Don't leave her, she's a keeper
