

(Enrgy made this one)

Ayy

Niggas said it's up, ayy, it's on the floor

Yeah, nigga, on the floor

Ayy, niggas said it's up, ayy, it's on the floor

I done fucked up the pot, ayy, and the stove

I done whipped up my wrist, yeah, made it snow

When I put my hands together, I be throwin' up the Os

Yeah, throw it up, choke it, Bathing Ape monkey

This shit'll wrap like a mummy, remember I was bummy

Now I wipe my ass with the money

Wipe a nigga nose 'cause he funny

I was off the pour, yeah, the muddy

I was gettin' throwed in the cutty

I'm a side nigga, not no hubby

I be ridin' all black, nigga, Grim Reaper

Cocaine, ecstasy, pills, and the reefer

I done sold it all and I got the shit for cheaper

I just hit it once, you the type of nigga keep her

Made a hundred bands, bought a hundred street sweepers

Hit a hundred bitches, that's a hundred meat eaters

Niggas so glowed up, Chief Keef

I be in the field, you be in the bleachers

Ten Balenciagas, ten bands on some sneakers

I be in the field, nigga, you be in the bleachers

Ayy, niggas said it's up, ayy, it's on the floor

I done fucked up the pot, ayy, and the stove

I done whipped up my wrist, yeah, made it snow

When I put my hands together, I be throwin' up the Os

Yeah, throw it up, choke it, Bathing Ape monkey

This shit'll wrap like a mummy, remember I was bummy

Now I wipe my ass with the money

Wipe a nigga nose 'cause he funny

I was off the pour, yeah, the muddy

Used to rock Red Monkey, now I rock Amiri jeans

Used to want bad bitches, now I leave 'em all on scene

Moonwalkin' on the dope, Mike Jack, Billie Jean

Whole team got them Glocks in this bitch with twenty beams

Whole team off them jiggas, niggas popped twenty beans

I just left out the club, nigga, made a movie scene

If I don't know shit, I know I'm finna do my thing

On my way to the trap, money counter goin' bing

Money counter, count it up, add it up, stack it up

Get a brick and break it down, told my nigga, "Bag it up"

She was gone, we was fuckin', why her nigga mad at us?

I just spent ten bands on a fit, don't brag enough

Ayy, niggas said it's up, ayy, it's on the floor

I done fucked up the pot, ayy, and the stove

I done whipped up my wrist, yeah, made it snow

When I put my hands together, I be throwin' up the Os

Yeah, throw it up, choke it, Bathing Ape monkey

This shit'll wrap like a mummy, remember I was bummy
