Animal resistance to the pistons of the engines in this lie

Motors running backwards through these antiquated living motor eyes

Shadowed distance overflows the entrance to your tired holes and eats inside the extra time into the earliest of crime

Cancelling resistance, herding humans sense indifference all allied

Extra muscle tatters chewing angels, matted matter override

Tables for the mating rapes the filling meats for difeent hate

The simple trial and error mode to execute your inner $\ensuremath{\mathsf{TROLL}}$

Make it up to miss the point

What is this the role of choice

Waiting on the line forgot in a book told by Godot....
