

Alone

Ohio Players

This is the first time I did this. Whoo! But I love it! (laughs)

I just want to take you away a minute. This song I'm about to do today is like a spiritual song, it 's a piece of my heart. You see I'm the oldest of four-teen kids. Because I was the first one, mama said that may be king. So I went out and bought me a ring (laughs) But I found out later in life... that don't mean nothing.

Even though I come from that great big o'l family with four-teen kids. For some reason I've never felt like I had anybody by my side until I ran to these bad, bad, players and bad, bad, listeners. You know what I'm talking about.

Name of this song is called " I Don't Wanna Be Alone"

Listen...

I don't want to be, I don't want to be alone
I don't want to be alone yeah anymore, well
I don't want to be alone well shut that door
This is just a silly game girl
That we are playing yeah, well

I'll even take your blame yes I will oh well
Hear what I am saying child, I'm so ashamed
I don't want to be alone, well anymore
I don't want to be alone, well
Somebody pick me up off the floor

Listen they said that you and I will be together
From now on but if you walk out that door girl

I won't see you no more

I don't want to be alone well, anymore
I don't want to be alone
Somebody help me sing
Somebody pick me up off the floor

cho-cha, cho-chada, cho-chada, cho-chada,
cho-chada, cho-chada, cho-chada, cho-chada,
Do-do, do-do, you
Cho-cha, cho-chada, cho-chada, du-du, do-da, do-du, da-du

they said that you and I will be together from now on
But if you walk out the door girl
I won't see you no more

I don't want to be alone well anymore
I don't want to be alone
I don't want to be alone somebody help me yeah

Somebody pick me up off the floor
I don't want to be alone
I don't want to be
I don't want ot be alone
