Ohio Players

This is the first time I did this, whoo
But I love it, I just want to take you away a minute
This song I'm about to do today is like a spiritual song
It 's a piece of my heart
You see I'm the oldest of four teen kids
Because I was the first one, mama said that may be king
So I went out and bought me a ring
But I found out later in life that don't mean nothing
Even though I come from
That great big o'l family with four-teen kids
For some reason I've never felt like I had anybody by my side
Until I ran to these bad, bad, players and bad, bad, listeners
You know what I'm talking about
Name of this song is called, " I Don't Wanna Be Alone"
Listen
I don't want to be, I don't want to be alone
I don't want to be alone, yeah, anymore, well
I don't want to be alone, well, shut that door
This is just a silly game girl
That we are playing, yeah, well
I'll even take your blame, yes, I will, oh well
Hear what I am saying, child, I'm so ashamed
I don't want to be alone, well anymore
I don't want to be alone, well
Somebody pick me up off the floor
Listen they said that you and I will be together
From now on but if you walk out that door girl
I won't see you no more
I don't want to be alone well, anymore
I don't want to be alone
Somebody help me sing
Somebody pick me up off the floor
Cho-cha, cho-chada, cho-chada, cho-chada
Cho-chada, cho-chada, cho-chada, cho-chada
Do-do, do-do, you
Cho-cha, cho-chada, cho-chada, du-du, do-da, do-du, da-du
They said that you and I will be together from now on
But if you walk out the door girl
I won't see you no more
I don't want to be alone well anymore
I don't want to be alone
I don't want to be alone somebody help me, yeah
Somebody pick me up off the floor
I don't want to be alone
I don't want to be
I don't want to be alone
