I'll take my chare of love's ups and downs yeah  
Just for the moments with you  
We got to be together  
Someday we're gonna be, we're gonna be

Ooh ooh, ooh ooh  
I'll take my chare of love's ups and downs, yeah  
Just for the moments with you  
We got to be together, 'gether, 'gether  
In my life
