

Further Deeper

Oi Va Voi

I feel deflated Let down by heroes Walls of silence Soak up the
echoes Of my ideals Sold down the river I blame my own Naive b
ehavior Time again I'm a complete beginner I have a theory Too
complicated To explain now Don't make me waste it But you shoul
d realize that For your freedom I might just hurt you But I did
n't mean to Our flesh and blood In mute agreement We stand like
idols We should be kneeling A single signal I'll flick the lev
er And we'll all go falling Further deeper When the day comes c
alling That's when we'll go falling down Won't we all go fallin
g down
