Trapping in the box Chevy, loaded with some heavy metal

Box Chevy, box Chevy, yeah, that bitch a '88  
Sliding on them Shaq feet, stupid wet candy paint  
Four square kicker got me sounding like an earthquake  
Loaded with a big bong, Ricky Bobby shake and bake  
And I keep that heavy metal, boy, I'm down to let it play  
Cooking up that white work, you can buy a fishplate  
Cooking up the O's, I got squares like a tan plate  
Every day's a holiday, so every day's a crab plate  
Box Chevy with the [?] on them damn eights  
Pull up like the Atlanta Zoo, boy, you know I'm going ape  
Pussy nigga hate my swag, but he still heard my tape  
32 ENT, we just stay away from fake

First, I got some dope, then I got some money  
Then I bought a box, now everything was sunny  
But then my box got stoled, I had Cutlass on them fours  
Then I rewrapped on little broham, now my shit whip good as gold  
Pulled up on the user, dope sold money-fold  
Trapping twenty-four plus a nigga keep a pole  
Drinking up that lean so a nigga won't catch a cold  
40 Series Flowmaster, sixty seconds, I'm gone  
Half top [?] don't mean I'm riding [?]  
Lil Ant did my music, got me sounding like the Dome  
Lipstick on my rims and my top thin like a thong  
Brett Favre with them plays, so you know I keep a bomb
