All set do some stretches, see it on a beamer  
Walk the day morning house same size of Rino  
Feel like spurgeos, 50 racks on finger  
Then got some chickens, ain't call them Jerry Springer  
Well known in the hood, all the hoes you want my penis  
That jewish did me 40, venus and serena  
Killed you BM and you should call me captain weiner  
Blowing on the cash, filled up on the diesel  
These black and white diamonds I be looking like the Beatles  
Versace hit the toe, help me looking like a cheetah  
But I also rock MJ and I rarely do a diva  
Ye they all black straples, I ain't calling as a beeper  
Screaming old new face, 'cause they G might be the people
