

## This Will Be Our Year

OK Go

The warmth of your love's like the warmth of the sun,  
And this will be our year, took a long time to come.  
Don't let go of my hand now darkness is gone,  
And this will be our year, took a long time to come.

And I Won't forget the way you helped me up when I was down.  
And I won't forget the way you said, "Darlin' I love ya"  
You gave me faith to go on - now we're there, and we only just  
begun.  
This will be our year, took a long time to come.

The warmth of your smile, smile for me little one.  
And this will be our year took a long time to come.  
You don't have to worry, all your worry days are gone.  
This will be our year, took a long time to come.

And I won't forget the way you helped me up when I was down.  
And I won't forget the way you said, "Darlin' I love ya"  
You gave me faith to go on - now we're there and we only just b  
egun.  
This will be our year, took a long time to come.

Yeah we only just begun.  
This will be our year.....to a long time...to...come.
