

Comic Sans

Okay Kaya

Since you've been gone
Everything's in Comic Sans
Everything's funny wrong
Since you've been gone
Can't go on

If acceptance is key
I'm here waiting for the locksmith

Am I better off
Am I better off
Am I better off
Am I better off being worse
Without you

Here I am
(Here again)
Vigorously folding towels
Home is where
(Home's nowhere)
The horror was all along
I'm a Psycho Yawning
(I'm yawning here)
At a casual gathering
Since you've been gone
No fun, no fun

If acceptance is key
I'm here waiting for the locksmith

Am I better off
Am I better off
Am I better off
Am I better off being worse
Without you
