

Dep. Chamber

Okay Kaya

Goo, goo
No edges, so nothing
Sensible erasure brewing
In one own stew both broth and saucer
Stirring the soup on a nail of being

Omit, the world is burning (Sentient dumpling)
Ingen substans, fortsatt suppe (Sentient dumpling)
Hele kroppen dupper inni puppe (Sentient)

Be the ripple move through (Sentient dumpling)
Nobody no text (Sentient dumpling)
Less emails, less expend, more expand (Sentient)
Omit, the world is burdened and come (Sentient dumpling)
To where no one can ask you where you are really from

No family, no dynamics
No records no recordings
Edges softened by water I'm a
Sentient dumpling
Sapling, resin
Sticky messy
Yes and
Yes and
