As long as there is sun  
We know there will be shade, too  
As long as there is sun  
We know there will be shade, too  
As long as there is sun  
We know there will be shade, too  
As long as there is sun  
We know there will be shade, too  
As long as there is sun  
We know there will be shade, too
