Okay Kaya

Children of apathy
Don't have a country
Don't have an appetite
Can't trust nobody

Ooh, they've given up
Supper through a straw
Given up
Intravenous nutrition
Given up
This is Scandinavia

It's an oh wow nightmare
Nightmare, oh wow nightmare
Nightmare, oh, how did we get here?
Nightmare, oh wow

Nice guy's politician
Watching and wishing
Thinking and praying
We're talking and drinking
Did you hear they've

Given up
Supper through a straw
Given up
Intravenous nutrition
Given up
This is Scandinavia
