

Habitual Love

Okay Kaya

Who wants to be loved out of habit?
Who wants to be just an idea?
I want my love to be magic

No habitual love
No habitual love
Ooh, no, no, no, no, no

Who wants to be stuck in a pattern
Who wants to begin not to care
I don't wanna turn into my parents

No habitual love
No habitual love
Ooh, no, no, no, no, no

Should we break it off
Before it all goes wrong?
Should we break it off
Call it over and done?
Over and done

No habitual love
No habitual love
Ooh, no, no, no, no, no
