

Insert Generic Name

Okay Kaya

Stacy

It really sucks to be your girlfriend
Although you're a prolific boyfriend
I'm suddenly the center of resentment in your harem

And this ain't high school
Why is it icy, spicy, dirty looks?
It dunks my head into the brine pool
The other Stacys can be so cruel

Stacy

It really sucks to be your girlfriend
Although you're an adequate boyfriend
I'm suddenly the center of resentment in me

When you go
Will you keep all your alter egos?
When you go
Will you keep all the alter egos?
Will you call me and tell me I'm hot shit?
That I'm your muse and I'm a genius?
Will they remind me that I'm crazy?
We're all ageing dramatic names like

Stacy

It really sucks to be your girlfriend
Although you're a prolific boyfriend
I'm suddenly the center of resentment in youP
