

Overstimulated

Okay Kaya

Anything could happen
At any given time
No wonder why I'm overstimulated

I'll be the odd shape hurting
I'll be the crust in your eye
No wonder why you're overstimulated

You say, "Good morning"
The same way I say, "Goodnight"

Are you awake? (Hey)
Are you awake? (Hey)
Are you awake? (Hey)
Are you awake? (Hey, hey, hey)

You'll be the odd shape burning
The sheets all by my side
No wonder why I'm overstimulated
And I see, I see (I see)
The orange curtain, the light shining on the surface

Are you awake? (Hey, hey, hey)
Are you awake? (Hey, hey, hey)
Are you awake? (Hey, hey, hey)
Are you awake? (Hey, hey, hey)

Ah
