

# Vampire

Okay Kaya

I'm not an alcoholic, but I'm always so tired  
I am always bored and always feel kinda bad  
Can't seem to get no sleep at night

He used to call me every night this time

His hand cold, smelled of garlic  
But looked like a vampires  
To be honest they were not that nice  
How I'd like to get his scent of off me

He used to call me every time  
Call me every time he'd need to come and put his hurt  
Come and put his hurt  
Come and put his hurt on me
