

Nowhere

Okean Elzy (Океан Ельзи)

We'll drive wherever you want to
Top down for the summer night
No cares, I catch your stares
From the passenger side

Off-key cause the radio's broken
Off-beat but the mood is right
I love to hear you sing
From the passenger side

All the way to nowhere
We stop and grab some coffee
You might feel like dancing
We don't mind the detour
All the way to nowhere
We don't count the miles
Anything could happen
We don't mind the detour
On the way to nowhere

Cheap rooms, no light pollution
Look up, we can see the stars
You swear you can see Orion
Does they know who we are?

Don't care that my phone is dying
I've never felt so alive
I don't care if we ever arrive

All the way to nowhere
We stop and grab some coffee
You might feel like dancing
We don't mind the detour
All the way to nowhere
We don't count the miles
Anything could happen
We don't mind the detour
On the way to nowhere

On the way to nowhere
On the way to nowhere
On the way to nowhere
We're on the way to nowhere
On the way
To nowhere, to nowhere
On the way
To nowhere

All the way to nowhere
We stop and grab some coffee
You might feel like dancing
We don't mind the detour
All the way to nowhere
We don't count the miles and miles
Anything could happen
We don't mind the detour
On the way to nowhere
