

I know it's strange that I'm laughing
You think I'm strong but I'm drowning
Give me the world on a silver tray
I wouldn't wanna taste it anyway

It's almost fun how I'm faking
You think I'm tough, babe, I'm terrified
No, I don't even wanna see the sun
Watching them tanning while I'm scared to burn

And I, I don't know what part of me you see
But whatever it is, it makes me feel
Like I could survive through anything
Yeah, you are my answer when I have no clue
You are my dancer when I make no move
The only way I know I'm beautiful
Or something like this

You see me walk with my head high
You think I'm bold, taking out my pride
Chin up so you can't see me choking back
I'm walking fast enough to dry my eyes

And I feel bad 'cause I waste my time
Thinking about how you're slipping from my arms
I fool myself, I fool my friends and you
Are just like me so you can see right through

And I, I don't know what part of me you see
But whatever it is, it makes me feel
Like I could survive through anything
Yeah, you are my answer when I have no clue
You are my dancer when I make no move
The only way I know I'm beautiful

The only way I know I'm beautiful
(The only way I know I'm beautiful)
The only way I know I'm beautiful
