

Strawberry dancer
Vanilla summer
Driver, pull over
Ice-cream truck

Pumping the sweet tunes
I beg you to stop soon
'Cause I cannot run anymore

Strawberry dancer
Vanilla summer
Driver, pull over
Ice-cream truck

Faster than I have ever gone

Pumping the sweet tunes
I beg you to stop soon
'Cause I cannot run anymore

And you're the keeper of it all

Strawberry dancer
Vanilla summer
Driver, pull over
Ice-cream truck

Tomorrow's never
So, I go faster
Faster than I have ever gone

Pumping the sweet tunes
I beg you to stop soon
'Cause I cannot run anymore
I need the answer
It's in the flavours
And you're the keeper of it all

Strawberry dancer
Vanilla summer
Driver, pull over
Ice-cream truck

Tomorrow's never
So, I go faster
Faster than I have ever gone

Faster than I have ever gone

Tomorrow's never
So, I go faster
Faster than I have ever gone

Pumping the sweet tunes
I beg you to stop soon
'Cause I cannot run anymore
