

At Your Service

Olamide

Pull up on you me and my friends
Fina introduce dem to your friends
Maybe we should we all try to be friends
And We can get it on every weekend
Hit me up anytime girl I'm active
Like John I've you seen any magic
I get so many styles to be candid
Girl I'm not tryna make u a sidekick

What you wanna do
Where u wanna go
Won't tell nobody just let me know
Make I pull up pull up on u omo
If you wanna get turnt
You ain't gotto front
Just like reefer you want burn it up
I go pull up pull up on you omo

Me de here me de here ni sleeping in duty me de here
Me de here me de here girl I'm at your service me de here

Me de here me de here ni sleeping in duty me de here
Me de here me de here girl I'm at your service me de here

Like Jollof pepper that body so sizzling
Champions love challenge
U ain't gotto give it up easily
Stop messing with head like E !
Putting on a show in front of me
You making my head de glitch
Let me run it from the top again

Pull up on you me and my friends
