Fucking With Devil

Olamide

I can hear the angels calling
Me self I dey hear them
Calling
Me self I dey hear them
I can hear the angels calling me
Me self I dey hear them
The angels calling

I'm fucking with the devil
No condoms
We doing it evil
YBNL on the ice level
Been through hell, we gat to make it to heaven
Calling

I'm fucking with the devil
No condoms
We doing it evil
YBNL on the ice level
Been through hell
We got to make it to heaven
The angels calling me

Every day ni mummy mi ma n warn me
Because everyday ni mo ma n gbe olosho
