

Hundred million dollars mo ma je'nbe
Them say little money soonest spending
But I no be rookie mo ti pe'nbe
Osha mo'no mo'no osha blem-blem
If them no fit cope na their problem
Things I labour for I must enjoy them
Anyone wey dey, make you join dem
Osha mo'no mo'no osha blem-blem

Shebi eyin nor ku ti mo mi, ah
I no dey joke with my money, ah
'Cause I dey hustle for my money, oh
Hustle to the early morning
Opelope prayer mummy
Na why sapa e no dey gum me
Oluwa wey dey do am for me
He no go ever give up on me

Auzubillah
Minashaita nirajeem
Asubunolai wali molinwaqil
Allahu akbar
Many tried, many failed
Never back down, still on my feet
Ina teina quadi quo sora
Make small move, won ti fo sara
Allhamdululai, glory to Allah
Ota o le yowa pe oshe fun awa

No dey force you to understand me
How can you do when I'm outstanding
The file is bigger than your bandwidth
Get down low, not withstanding
Billion dollar, finna count it
You nor see the dream when I plant it
They say the money raining, me I pack it, oh
Young Aliko Dangote in transit

Shebi eyin nor ku ti mo mi, ah
I no dey joke with my money, ah
'Cause I dey hustle for my money, oh
Hustle to the early morning
Opelope prayer mummy
Na why sapa e no dey gum me
Oluwa wey dey do am for me
He no go ever give up on me
