

# Higher

Olamide

Tell the world I'm amazing  
It's a matter of time we will be blazing  
We blazing the trail, we running the game  
I'm the super sun no star gazing

I say we going higher, higher!  
I say we going higher, higher!  
I say we going higher, higher!  
I say we going higher, higher!

Holy Mary Mother of God  
Pray for us sinners  
At the hour of our death  
Cause awon eleyi won ti deaf  
Go nikan logbo, won gbo come I swear  
We from a small town but we dey control plenty city  
That's how we get down, nigboro lori titi  
Igboro n kanra mo anybody, lowo yi e no pity  
Street king but mi o ti lana bi ti 50  
Some people for industry be like Judas and Delilah  
Kepe jesu to ba mo abi kope lailah  
La ilaha ila Allah, Mohamad Rasoul Allah  
Women lie, men lie, but numbers don't lie  
Coming for my money, coming like anini  
Oil money ganging, something like ayiri  
South West to Niger Delta, ni bo leti riri  
Dem say  
I be bad boy, ha ha ha, really

Tell the world I'm amazing  
Its a matter of time we will be blazing  
We blazing the trail, we running the game  
I'm the super sun no star gazing

I say we going higher, higher!  
I say we going higher, higher!  
I say we going higher, higher!  
I say we going higher, higher!

Vampires everywhere, they want to suck blood  
But eje mi koro, puweh! Stubborn  
Won lemi, won fe ba mi, won ti e mo ibi tan bo  
Te ba fi mi se ogun owo, e ti e ni ri 50kobo  
Mo ti deje pelu jesu, mo ti mule pelu street  
Ain't nobody fucking with me till i dey 6feet  
Underground  
I am on a king shii  
Brazil vs Burkina Faso, big cheat  
Be loro yen se je  
So e rora ma se je  
Eyin ti aja fi n ba omo re sere na lo fi n ge je  
Mo n para, ko n se di e  
E lo le, ko lo gel  
While i'm alive, stop hoping all your bad plans go gel  
E kunle, ke se thank you  
Ko oluwa le bless you  
Oluwa ti bless wa

Na why we dey bench you  
Kings come first, na who dey come last?  
You don't need to talk cause your story don cast

Tell the world I'm amazing  
Its a matter of time we will be blazing  
We blazing the trail, we running the game  
I'm the super sun no star gazing

I say we going higher, higher!  
I say we going higher, higher!  
I say we going higher, higher!  
I say we going higher, higher!

This time  
I say it again this time  
We telling the world we going the way that we want to this time huh  
Get a mirror  
I tell you what you see is not a figure  
Just a simple understanding  
That we are more than what you see  
You understand me  
I say we going higher, higher!  
I say we going higher, higher!  
I say we going higher, higher!  
I say we going higher, higher!  
Higher!  
Higher!  
Higher!  
Higher!
