

Jailer

Nobody come I don't need no bail out
Seize my breath I need some inhaler
Cus the way you whine your body controller
I'm ready now
I'm ready to stay down
Weather hot/cold I'm ready to stay down
Enter my heart turn it to play ground
Cos the whine your body controller
I'm ready now
I'm ready girl

Jailer, don't need no bailer
Lemme rock your boat back and forth like a sailor
Seizing my breath now I need some inhaler
Back up your tanker and jam like a trailer
If you wan me to stay down
Baby make you say now
You got the keys to my heart turn am into play ground
When you gonna come around with your
Something weh round
One beat like the conga for sunny Ade sound
I dey see double like I use overdose ah
This your matter dey fear me like a bulldozer
Omo Shey make I drag ya closer
Make I pull shakabular kum in ya cozer
Baby no go dey reason me as a poser
Ready whenever weh you want me to wozz ya
Omo Shey make I drag u a closer
Make I put shakabular cum in ya cozer

Baby back up your kakakaka like you reversing car
This your body critical yeah
You be star yeah nobody sicker yeah
Girlie u are lead, so high up in the sky yeah
My melanin poh ! my cocosheen
She no dey sleep oo she be kerosine
Up all night taking all the kalashin
Omo where buratashi
I dey see double like I use overdose ah
This your matter dey fear me like a bulldozer
Omo shey make I drag ya closer
Make I pull shakabular kum in ya cozer
Baby no go dey reason me as I pose a
Ready whenever when you want me to hose ya
Omo Shey make I drag ya closer
Make I put shakabular kum in ya cozer
