

Possible

Olamide

Okay now, baba told me
O ma de yan nla o si ma tobi
Often your task may be many
More than you think u can do (More than you think u can do)
Anything is possible, Anything is possible
Anything is possible, Anything is possible

When things go wrong as they sometimes will
And the road is rugged and it seems not appeal
When your funds are low and your debts are high
When you want to smile but you have to sigh
I listen I listen
I listen to my voice
Preach the Gospels to the girls and the boys
Iya iya e o kun bale
Araye mo iya re kun bale
O dorun
You want stop me na who born you

Okay now, baba told me
O ma de yan nla o si ma tobi
Often your task may be many
More than you think u can do (More than you think u can do)
Anything is possible, Anything is possible
Anything is possible, Anything is possible

1 voice can speak with wisdom
One vote can change a nation
1 smile can start a friendship
1 balloon may u no gii
We start with our homi homi
You see all the things baba buy to mi
When i no hear he dey scold
And all the lessons are working for me
Iya iya e o kun bale
Araye mo iya re kun bale
O dorun
You want stop me na who born you

Okay now, baba told me
O ma de yan nla o si ma tobi
Often your task may be many
More than you think u can do (More than you think u can do)
Anything is possible, Anything is possible
Anything is possible, Anything is possible
