Mi never ever ever call another man a vagabond
River state south south that's where mi born
Dats why mi tell you mi rising from the sun
Open up your eyes, mi na play with no gun
Dem say mi wet in a mi mouth, is aah where pour
So mi never say where mi never stay born
Cast this thing pon dem body like a big pile gun
Poison ina brain like a street scorpion
While ah coming from garrison
No comparism
See some likkle boy, dem come with a abison
Wey mi body abison, me coming from the prison
Because I look like whats missing
Nor nor Repping up mi hood
Standing up for team nor for dem a do bad
But for dem a do good
When me boss it over them, mi a be standing on the blue
So hope you understood?

I do it for my hood
I do it for my people yeah yeah
If you think say na taboo I am sorry for you yeah yeah
If e dey pain you make u rep adugbo re, adugbo
Rep adugbo re, oya rep adugbo re, rep adugbo re
