

I have refused to downgrade from god to human
My purpose in this life you no fit understand
Lalala la la la the spirit is high
Lalala la la la mogaju aye lor
Lalala la la la the spirit is high
Lalala la la la mogaju aye lor

Mama told me say I go big
Say the whole world go hear my story
Say I go reach where I go reach
Fit to suffer later go rich
Ewo ni gira gira
Gira gira pelu gbo gbo gara gara
Ewo ni kirakita
Kirakita pelu gbogbo karakata
Hook me up connect me one time
If you understand the universe
I'm in tune, my soul is entangled
To the wadadada
Yeh yeh yeh yeh

I have refused to downgrade from god to human
My purpose in this life you no fit understand
Lalala la la la the spirit is high
Lalala la la la mogaju aye lor
Lalala la la la the spirit is high
Lalala la la la mogaju aye lor

Imólè ti wóle de okukun parada
Emi ni mo moye werey timo farada
But I no go let anybody Canada
Affect my China I be their father
Ewo ni gira gira
Gira gira pelu gbo gbo gara gara
Ewo ni kirakita
Kirakita pelu gbogbo karakata
Who, who
The act like mumu mumu
My fans say oooh, oooh
No one be like, you

I have refused to downgrade from god to human
My purpose in this life you no fit understand
Lalala la la la the spirit is high
Lalala la la la mogaju aye lor
Lalala la la la the spirit is high
Lalala la la la mogaju aye lor
