

Stronger

Olamide

(Release yourself)
(To the unknown)

Sweet life no sweet pass like this
Cigars and cannabis
Chilling with my gees
Man, I gat at least, sisi hundred and 50 girls bussing
You want to kill person ni?
Different alcohol inside the cooler, and the fridge
Dem dey freeze

You don turn bad girl, you don dey go Ghana
Fly PJ, ṣháyò and smoke gbána
Heartbroken last, ọmọ, but you stronger now, uh
Keep making daddy proud
You don turn bad girl, you don dey go Ghana
Fly PJ, ṣháyò and smoke gbána
Heartbroken last, ọmọ, but you stronger now, uh
Keep making daddy proud

Yuh, this for the girls wey dey talk say "ex boyfriend, prioritizing happiness, wey dey flex"
Wey dey put men for different cruise 'cause they can't stress
Living life to the fullest
Ooh, I'm loving the new you
In your Gucci swimsuit
Chilling by the pool, less worried tho
Showing more skin, get a new tattoo
Trying different taboo, so I'm flying to Cancún

Yeah, get your swag back, secure the bag, and
Fly away if you want, and maami, don't fly back
And if your plan stop going smoothly, as it should
Go back to the drawing board, baby boo
Yeah, you need a soldier, not a bóló
No go dey waka with men wey dey draw like ṣgbóna
Do BBL, if you wanna
You only live once, maami, turn down or turn up

Cigars and cannabis
Chilling with my gees
Man, I gat at least, sisi hundred and 50 girls bussing
You want to kill person ni?
Different alcohol inside the cooler, and the fridge
Dem dey freeze

You don turn bad girl, you don dey go Ghana
Fly PJ, ṣháyò and smoke gbána
Heartbroken last, ọmọ, but you stronger now, uh
Keep making daddy proud
You don turn bad girl, you don dey go Ghana
Fly PJ, ṣháyò and smoke gbána
Heartbroken last, ọmọ, but you stronger now, uh
Keep making daddy proud
