Some guys died some of them de for prison
Thank God for all the fasting n prayers she did
But odun mi gan when I just start to hammer
Daddy fo shanle mummy ku omo mo fe mad
How could it be now I was waiting for an answer
Ta mofedaku mio le gbagbe gbogbo suffer tati suffer
Flame to dust
Dust to sand
Good things never last
I understand
Mo dye irun mi yellow
Motu dye è si green
People think say na swag
But I was loosing my mind
Mo dema'n fagbo moju
Ronu moju
Mo de ma'am mu oti moju
Mio ni boju

Mummy daddy ti lò omo mo l'ati sanju

They try to bring me down iro òmò mo ti lò o
Getting high everyday òmò mo ti lò o
Oh high oh high
We the most high now everyday de fly
Hustle everyday, everyday on my grind
Oh high oh high oh high

Now God de my mata-ta
Now the boy ata ta ta
Devil fall yakata
Spray dem ratata
I break devil horn fi blood si mo fi shey pen
I put my name on history book l'ati 010
Shonshere ni abi'O'n shièrè awon bawo
Dope like Coke mo ni share ni ibè bi ti awo
Changing the narratives for the ghetto youth
O le wa lati ghetto ko ni sense ko de wa classy

Man ah triumphant
And I've been through a lot
Many people wrote me off but God no gree
Kòle dayan mò o
