Olamide

I've been trying to let you know
That girl I gat you so
Put it on cruise on control babe
My heart go kpo kpo kpo kpo di kpo di kpo
Waiting for you to show
Make I no loose control baby
I don't need lighter
Girl your body blaze
Honey unconditionally you high me
Your body fire
Your body blaze
Honey unconditionally you high me

Can't wait to see you again
When you not around my heart go de ache
It Go de pain
I done finish ibuprofen
Every pharmacy for my area done sabi my name
Done tire to de complain
My doc no want see me anymore he thinks that I'm insane
9jabet chop my money
I no even feel anything
Omo shame no de
Na you weh de occupy my mind I no understand
But na you get the under weh I stand
It come be like say I de mad
People come de look me like Kanye when he de wear maga hat
Yah you keep making me better
That's why I'll never
Try to replace with another
I'd always be your shotgun
Ride till the end wid" you till the wheels fall off
I no know I made a couple of
Decisions that I'm not proud of
So I knew I had to buckle up
My money doubled up
But I'm more concerned about all da feelings that you bottled up
Don't wanna fuck it up
Cause what we got is so beautiful
Girl I've been there done it all
I don't want noddin from
Non of these girls mehn
Girl Na you go always be my number 1

I've been trying to let you know
That girl I gat you so
Put it on cruise on control babe
My heart go kpo kpo kpo kpo di kpo di kpo
Waiting for you to show
Make I no loose control baby
I don't need lighter
Girl your body blaze
Honey unconditionally you high me
Your body fire
Your body blaze
Honey unconditionally you high me

See what we got good and I don't wanna blow that
Been in ur corner and I never sold out
I'm sick of games and I don't wanna go back
Affection n love I'll be giving you all that
Obstacles hard times n problems
Are always gonna come but we'd rise above them
If money issue come I'll be here to solve dem
Everything I own in my life you own them
Yo! Mi casa su casa
King of the jungle lion Mufasa
Anytime you call you know say I go answer
The love that I got for you is colossal
Fly go Hawai to turn up
Go Chicago for spa
Breakfast in LA
I hate paparazzi but I live to de beach
So if you want chill we go fly to Maldives
La vida loca na we de ball
You go shop till your feet's Cant move no more

But we no like to bugger anybody we for close the store

Chop the life of your head on my neck Olohun
